

JND448 – Oval Band - by John Lockwood

Instructions by June Smith

John has created a 'You Tube Video' dated April 2024, using the new JND448 Oval Band Die set, where he demonstrates how to make a beautiful card. I would advise that you visit it as well as following these instructions.

June's Tips: This applies to any die, place your pieces onto your cutting plate at an angle, this helps to cut the dies in one pass. Also use your glue eraser to remove any unwanted marks.

Information:

As always I have numbered the dies from the outside into the middle and then the single dies.

- Die 1 – 2 Oval Stitched Dot Panels both the same
- Die 3 - Central Oval Stitched Dot Belly Band (which cuts off at each end)
- Die 4 – Stitched Dotted inside Oval
- Die 5 – 'With Love' Oval to fit inside die 4
- Die 6 - 7 Mini Marigold Dies (these will complement the Main Marigold Die set)
- Dies 8 - 9 (2) Bulbous Panels which will cut out a layer each end to fit inside die 3
- Die 10-11 (2) Stitched panels to go inside each end of die 3

We will be making the card on the left, however if you are careful the waste from the first card will make the 2nd card.

Materials

- 7" x 7" White Top Folding Card Blank
- JND448 Oval Band (11)
- Essential Coconut White Card
- Essential Spring Yellow Card
- Essential Sunshine Yellow Card
- PCD248 - Poppies Embossing Folder
- A5 Die Cutting Machine
- White Pearls various sizes
- Glue Glaze
- 2mm Foam Tape
- Craft Kit

Method:

- Cut a piece of Coconut White card to 5½" x 5½" place this centrally inside the PCD248 Poppies Embossing Folder. Then take a scrape of the Coconut White card and tape down die no 3, the Oval Belly Band die and cut this out.

- Cut a piece of Spring Yellow card to be 5½" wide, place the white band you have just cut so that it is about 2" from the bottom and tape it down to keep it in place. Then take dies 1 & 2 (which are both the same) and tape them down either side of the band so there is a small gap in between and cut them it.
- We are going to repeat this again using a piece the same size 5½" wide from the Sunshine Yellow, add dies 1 & 2 either side, tape them down using the lines on your cutting board, remove the spring yellow band, and cut them out.
- Yes you have guessed it, we are going to repeat this process using a piece of Coconut white. You then have your layered oval belly band, the waste pieces from the top and bottom of all 3 colours are what we will use to also layer up onto our card.

- Use foam tape onto the back of your oval layers and add onto each other to layer. Then add foam tape to the back of these and add them onto the Poppies embossed card which is lined up on the board. Then turn over the card and if there are any edges sticking out, trim these off with your scissors.

- We now take another piece of white card, the sentiment die 5, and the oval die 4, tape the 2 oval dies together add onto the card, trim off any excess and cut them out. Then take the outer oval die and cut that from the Spring Yellow, they can then be layered onto one another, add foam tape to the back and adhere onto the front panel.

- Bring in your 7" x 7" top folding white card blank, add layers of white card $5\frac{3}{4}$ x $5\frac{3}{4}$, Spring Yellow at $5\frac{7}{8}$ x $5\frac{7}{8}$ " and Sunshine Yellow at 6" x 6" x onto it. Then add wet glue onto the back of your front panel and add onto the card
- Then from your scraps of Spring Yellow, Sunshine Yellow & Coconut White card cut out a set each from the Marigold panel dies 6 & 7. Add a few dots of glue glaze and using a pick-up tool add the flowers around the middle of the card, your choice. John has also used some of the white flowers left over from the Circle Band die set. Finally add a dab of glue glaze and a small white pearl into the centre of each flower.

Your creation is now complete. I hope you have enjoyed these instructions.
