

JND624 Starburst – Navy & Gold Card – 21 September 2026 - by John Lockwood

Instructions by June Smith

John has created a 'You Tube Video' dated 21 September 2026, using JND624 Starburst die set, where he demonstrates how to make this beautiful card above. I would advise that you visit it as well as following these instructions.

Information:

The base card is an A5 side folding cream card, and we need to trim this down to $7\frac{3}{4}$ ", these Cream Cards are available to purchase from The Art of Craft, or you can take an A4 piece and fold that in half and trim that down to $7\frac{3}{4}$ ".

- Die No: 1 – Stitched Rectangle Die
- Die No: 2 - Decorative Inside Frame with an Oval cut from the middle
- Die No: 3 – Stitched Oval Die
- Die No: 4 – Stitched Circle with Swirl Patterns at the top and bottom
- Die No: 5 – Stitched Circle
- Die No: 6 – Smaller Stitched Circle
- Die No: 7 – Stitched Star

Materials:

Art of Craft A5 Side Folding Cream Card

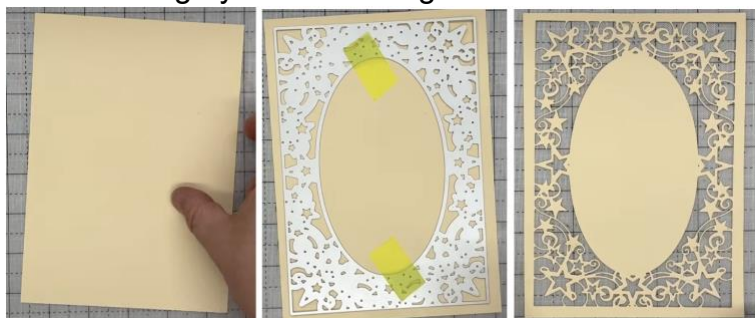

JND624 Starburst Die (7)

Presscut Plain Rectangles (die no: 4 - $7\frac{1}{2}$ " x $5\frac{1}{2}$ " x and die No: 5 - $7\frac{1}{4}$ " x $5\frac{1}{4}$ ")

CA Essential White Card
Navy Card
Cream Card
Gold Satin Card
Die Cutting Machine
Craft Kit

Method:

- Take an A5 piece of cream card and we need to trim this down to $7\frac{3}{4}$ ", then take die No: 2 and place this onto the front of the card, tape it down and run through your die cutting machine.

- John has already made a $5\frac{1}{2}$ " x $7\frac{1}{2}$ " frame from the Presscut Plain Rectangles using Gold Satin Card and Coconut White card, turn this over and add foam tape onto the back, remove the backing and add this onto the front of your Cream piece.

- John has then pre-made his card blank and added a layer of Stitched Dot Rectangles in Navy Blue card, if you have any edges behind the frame which are showing just take your scissors at an angle and cut off the excess.

- Then take a piece of Navy Blue card and tape down Die No: 3 – Stitched Oval Die, then run this through your die cutting machine. John has already cut out

Die No: 4 – Stitched Circle with Swirl Patterns at the top and bottom from the Gold Satin Card. Then take Die No: 5 – Stitched Circle and cut this out of cream card, and from Die No: 6 – Smaller Stitched Circle cut this out of a piece of the Navy card. Then take Die No: 7 – Stitched Star and cut this out of a scrap of gold satin card.

- We now want to layer these up onto the front of the card, so take the Navy Oval and add 2 pieces of foam tape onto the back, remove the yellow backing and add this onto the centre of your card. Then take a bit more foam tape and add this onto the back of the patterned gold satin piece and add this onto the middle of the oval but this time we are going to add this as per the photo below.

- Then add foam tape onto the back of the Cream circle, remove the backing and add this into the centre of the circle. Then add foam tape onto the back of the Navy circle and add this onto the front of the card. Then cut a tiny bit of foam tape and add this onto the back of the star, remove the backing and add the star onto the front of the card.

Your creation is now complete. I hope you have enjoyed these instructions.
